GUESTS

We broadcast ...

... 24 hours per day,  
7 days per week  
on FM and online

... far and wide  
across Marlow and  
and around the world!

... with over 90  
volunteer presenters

... with a wide variety  
of programmes and  
genres each week

We exist to ...

... be a focal point to bring the community  
closer together

... provide a platform to give local people  
and organisations a voice

... keep listeners up to date with local  
news, travel information, and weather

... create opportunities for young people  
in the area to pursue careers in radio and  
related fields

... give businesses the opportunity to  
advertise their products and services to  
the community at reasonable prices

We want to ...

... be one of the best community  
radio stations in the country

... develop our links with local  
schools and colleges

## What we want to do ...

Marlow FM is a local community radio station run completely by volunteers. Our current studio building at Longridge Activity Centre, our home since 2011, is being demolished later this year, so we have to move to a new home.

The good news is that we've been offered a fantastic location at Great Marlow School, in the old caretaker's garage, but it will take a lot of work to convert it. And we'll need money we don't have at the moment.

We're looking at several options for the site. But we'd like to raise as much as we can so that we have a new home to be proud of, some much-needed new equipment, and a base from which we can do even more in the community, including with local schools.

## How you can be part of it ...

Our biggest ever fundraising drive to build a new home is now up and running. You can donate to a GoFundMe campaign, or buy an engraved brick to be included in a supporters' wall that will take pride of place inside the building. Full details are on our website: [marlowfm.co.uk/donate](http://marlowfm.co.uk/donate)

If you are a business and could help us with corporate or other forms of sponsorship or support, we'd love to hear from you.

*“Having Marlow FM on our doorstep will unlock an incredible number of opportunities for our students and other young people. They'll have a new platform to express their voices and ideas, and to connect with the community, and they'll be able to develop practical skills that will benefit them in their future careers.”*

*“Our town really is lucky to have so many great organisations supporting each other for the benefit of everyone. I've seen first-hand the positive impact that Marlow FM has already had, and this new development promises even more.”*

**Councillor Jocelyn Towns,  
Marlow Town Council**

*“This will be yet another step forward for the little radio station that punches above its weight. We're proud of what we've achieved so far, but we want to do so much more. This new location will bring us closer to the community.”*
